

Reaching Out Template

Hi **(write website owners name here)**

We just read your content **(contents title)** and just wanted to tell you that I found the content great!

(write the one thing you learned here and something you can relate too - to connect with the author)

I also want to mention that I've written **(the content title with a small explanation)** that I think can benefit and support your article/blog post. Please check it out and let me know what you think about it **(paste your link here to the post)**.

Best Regards

(your full name)
